

1089

To Whom It May Concern,

I am writing in support of SB 1089 sections 23-29. I am a resident of Trumbull and Board Certified Assistant Behavior Analyst. I have worked with students with autism for over 15 years. This is a very vulnerable population who deserves quality care. Licensure will ensure that only qualified individuals will be able to provide these services. Please consider the needs of Connecticut's autism population and pass SB 1089 sections 23-29 as soon as possible.

Thank you,
Anne Benson, M.Ed., BCaBA
